Pastor's Ponderings

Give thanks with a grateful heart.
 Give thanks to the Holy One.
 Give thanks because God has given Jesus Christ, God's Son. 848

We focus on thanks in November although giving thanks is a year-round, all-the-time spiritual practice. We don't just give thanks for the good food that we share with family and friends, but this song reminds us that we give thanks because God has given Jesus Christ, God's son. Thanksgiving, a uniquely American holiday, ushers in Advent, a time of preparing to welcome the birth of the Messiah. Advent is celebrated throughout the world by Christian people. Advent unites us as we celebrate the coming King. That being said, I hope you'll join our Advent study with St. Paul Lutheran Church. It will be on Tuesday evenings at 6:30pm. If you are in Lake Charles, we will alternate churches each week. If you live elsewhere, we still hope you'll join us as we'll offer a Zoom link each week.

As your calendars begin to get full and you feel the pressures that accompany the holiday season, enjoy your time with friends, family, and church. Remember to pause and always "give thanks with a grateful heart"!

Happy Thanksgiving!

Nanette

Presbyterian Women's News

(Sent in by Mary Lou Burke)

Fall has begun and so has our annual Presbyterian Women's Bible Study. This year's study is entitled "Celebrating Sabbath" and is written by Carol M. Bechtel. God has given us a gift. The gift of Sabbath. How do we use and celebrate this gift? Let's discuss it. Lesson Two will be Friday, December 9, at 10:30 a.m. in the Richardson Room. The study is followed by a brown bag luncheon with dessert provided. A cookie exchange will be held. Bring two dozen of your favorite homemade cookies to exchange during the sack lunch.

Copies of the study books are available in the church office. A donation of \$10 would be welcome and can be given to Linda Latour at your convenience.

Want to sew? Join us after lunch for Mission Stitches. We're trying to come up with some neat ideas for stocking stuffers and cool Christmas gifts. We would love for you to join us. Coffee and cookies available.

Special thanks to Diana Lewis for organizing the garage sale and to Linda Latour who assisted with distributing the leftovers. Lots of thanks to Jan Laird, Marilyn Dunn and Carol Bell for their wonderful help. And to all those who donated.....we couldn't have done it without you!

Advent Study

We will discover the meaning of the season with "**O Come, O Come Emmanuel: Reflections on Four Seasonal Hymns.**" Written by Mary Louise (Mel) Bringle and Beverly Howard, this four-session adult study takes a look at the meaning of four popular Advent and Christmas hymns. Featured hymns include "Come, Thou Long-Expected Jesus;" "Let All Mortal Flesh Keep Silence;" "O Come, O Come, Emmanuel;" and "In the Bleak Midwinter."

We will discuss the importance of the hymns, explore the meaning of the featured text, and learn more about the hymn writers.

The Study location will alternate between St. Paul Lutheran and St. Andrew Presbyterian.

Thanks GIVING; GIVING thanks

Congratulations to Faye Cooper for being named as Avail Hospital's September Hometown Hero! She is an integral member of the Greater St. Mary Missionary-Pauline Hurst Mercy Center! The Pauline Hurst Mercy Center opened after hurricane Rita in 2005 and has made a significant impact across SWLA ever since. Their goal is to provide the community with more nutritious food to decrease hunger in SWLA as well as provide clothes, furniture, cleaning and hygiene supplies, and much more! From March 2021 to September 2022 the Pauline Hurst Mercy Center has fed 4,738 children, 6,772 adults, and 2,500 seniors in Lake Charles and surrounding areas! We are so proud of Faye! This award is funded by Avail, **92.9 The Lake**, and **Gator 99.5!** We thank Faye for her dedication to this amazing organization and all she does for our community!

Remember this time of year about two years ago? Some of us were out of our homes, far away from Lake Charles, or grimly putting the pieces back together and noting the blue tarps and piles of storm debris still lining our streets. While things aren't back to 'normal,' whatever that might be, our St. Andrew family is together and able to worship in person and online. We are supporting one another and others in our community in so many ways. As Thanksgiving approaches and we plan our special celebrations with cherished traditions or bold new adventures please take a moment to help stock our Little Free Food Pantry with something special for this season. If the temperature moderates, please consider cooking oil and seasonings that help make meals special. Read the lists of ingredients needed if you're providing a mix. Many mixes do not require eggs or milk. Toilet paper, paper towels, diapers (adult diapers too!), feminine hygiene items, soaps of all kinds (dish, clothes, body, shampoo), Check around the house to see if you have an extra can opener, dishes, napkins, placemats.

As the Thanksgiving holiday gives way to Christmas please consider warm clothing, presents that children can give to parents or siblings (and put a little tag to let people know your intention!) Have some books you don't need (cookbooks!) or something that needs regifting? What about holiday decorations you no longer use? The pantry is a good choice. Please don't bring things you would not like in your home. We want this to be a special holiday season for our St. Andrew family as well as our friends who use our pantry. Your help is greatly appreciated.

If you have good ideas for the pantry, please share them!

Christmas Joy Offering

A **Presbyterian** tradition for almost 70 years, the **Christmas Joy Offering** is one of the four **special offerings** designated by the General Assembly of the **Presbyterian Church (U.S.A.)** to provide congregations direct ways of supporting specific causes that help those in need. Fifty percent of the receipts to the **Christmas Joy Offering** are distributed to the Board of Pensions for assistance programs that provide support to retired and active church workers and their spouses and families.

Eddie/North Lincoln Project

This rebuild project has been in the planning phase for months. St Andrew is working with the Fuller Center for Rebuilding to fix this home. A church in Austin, Westlake Hills Presbyterian Church, has pledged \$10,000 from their Christmas offering to help with this project. They'll also be sending volunteers. Grant money from Presbyterian Disaster Assistance, Synod of the Sun, and the Presbytery of south Louisiana was received, plus local companies have donated materials for the rebuilding.

The foundation is being prepared for the Amish who will be working on the home rebuild in December.

Repairs continue. An anonymous person donated the funds to replace bulletin boards for the Community Meeting Room. *Parrish Breaux*

donated his time and talent to put them up. Other pictures and wall decorations that needed a professional touch were hung. A big "Thank You" to Parrish.
