On a Wednesday evening after choir practice, I noticed wood cut and stacked in the parking lot at St. Andrew. I told Craig that I wanted a couple of those logs for my outdoor fireplace. Apparently, the storm on Monday had knocked down a tree limb. Wade Marcantel, his son Jackson, and Joe Dye, had worked to cut the tree into logs and were going to dispose of them at city waste site. Craig and I loaded about 10 logs into our suv. I noticed one scrap of wood and tossed it in the car. When we unloaded the wood at home, I looked at the scrap of wood again and saw something. (first image) I decided to paint it. (second image) I realized later that Pentecost was the Sunday coming up. It was a God thing! I brought it to church and told my story to the congregation. Constance had me place it near the podium. (third image)

From the Property Committee

Just wanted to say a big thank you to many of the guys in our church who have been helping us left and right. The rain/windstorm we had last week knocked down heavy tree branches, our food pantry, and a chain link fence surrounding the playground in the backyard. Wade and Jackson gathered up all the branches and cut the limbs into smaller pieces to be hauled away. Joe Dye, Wade, Jackson, and Joe's grandsons, Kade and Grant, helped load and haul off the debris. Thanks guys!

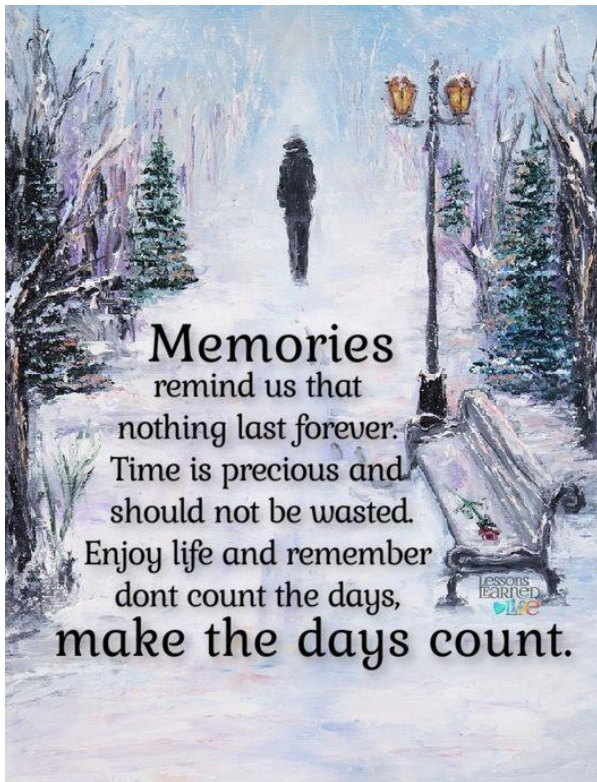

At the same time, we are blessed by The Couvillion Family with their donation and installation of a security system in our church buildings. We are so grateful for their generous gift and hard work. You may have noticed the scaffolding in Fellowship Hall :) The Couvillion "boys" are working non-stop installing cameras and other security measures in both the Wright Building and Fellowship Hall. It's mighty hot in those attics!

In the past, we have had items stolen from Fellowship Hall, and recently taken is a computer. Seems as though a few visitors are enjoying our hospitality without permission!

Mary and Gentry do a magnificent job taking care of our grounds. Diana Lewis monitors the prayer garden and Dave Laird is in the process of treating our fire ant piles.

THANKS TO ONE AND ALL!

Thanks to everyone for congratulating Jackson on his graduation. He is so blessed to have such a supporting church family. His graduation ceremony was on May 19th. Following graduation we had a nice celebration with family. *Leah*

Mission Stitches have been busy creating things for the needy. We have sewn pillow covers of minky to comfort church members in the hospital, ill, or just in need of extra comforting. Look for new items including crocheted old-style baby bonnets and baby/toddler crocheted dresses.
